

# MTH5112 Linear Algebra I (2023/2024)

## Coursework 0

This document serves as a guide to WeBWork, a system which will be used for submitting your courseworks that will be assessed.

Coursework Set 0 is not for credit, but we strongly recommend that you familiarise yourself with the system during Week 1, well before the deadline for assessed Coursework 1. That way, you will be able to rectify any technical difficulties before it starts counting toward your final mark.

Please follow the instructions on the following pages. In case of insurmountable difficulties, please inform the course organiser Dr Tomasic, including your QMUL user name (ah\*\*\*) and your Student ID number (200\*\*\*\*\*).

Dr Ivan Tomasic

## Step 1: Logging on

1. Go to the WeBWork page

<https://webwork.qmul.ac.uk/webwork2/MTH5112-2023/>

2. Log in using your QMUL username and your QMUL ID number as password,

e.g. USERNAME: ah19\*\*\* (note it is case-sensitive, so Ah19\*\*\* will not work)

PASSWORD: 200\*\*\*\*\*
