

Creating your Profile ID

Before you can use your CATQR mobile app, you will first need to have a Profile ID - this is essentially your unique identifier from which your Organisation (Employer, University, etc.) can see and track your attendance. Creating your Profile ID is an easy one-off task.

Please use this **CATQR Profile page**:
<https://profile.classattendancetracker.com>

Click **Create Profile ID** button

1 Screen 1: Enter your **FIRST NAME** and **LAST NAME**.

Click the **Next** button.

2 Screen 2: Enter your **POSITION TITLE** and **DEPARTMENT**; leave the **EMPLOYEE NUMBER** blank if you don't know as this field is optional.

Important

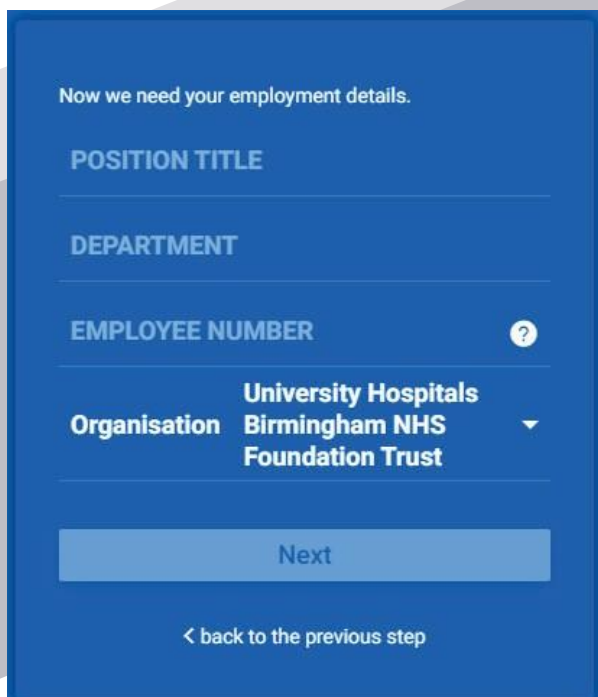

Your Organisation (Employer, University etc.) will only be able to see your attendance records if you give your consent to your Organisation in your Profile ID.

It is very important that you choose your Organisation correctly which is **QMUL institute of Dentistry and Barts and the London**.

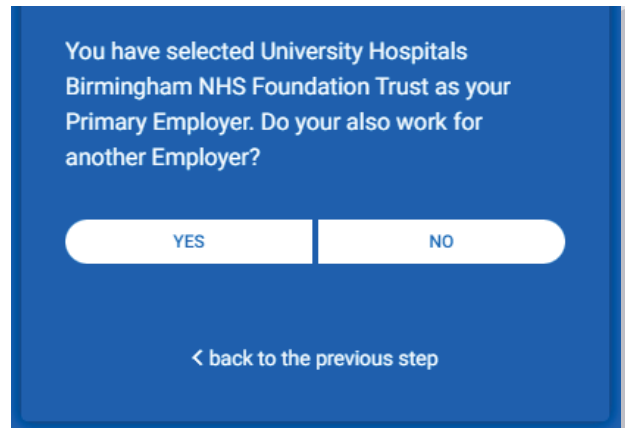

Click on the **ORGANISATION** field and search for your Organisation (Employer, University etc.) by typing in the search field.

In the example screenshot, we have searched for “**birmingham nhs**” and chosen “**University Hospitals Birmingham NHS Foundation Trust**”.

Click the **Next** button

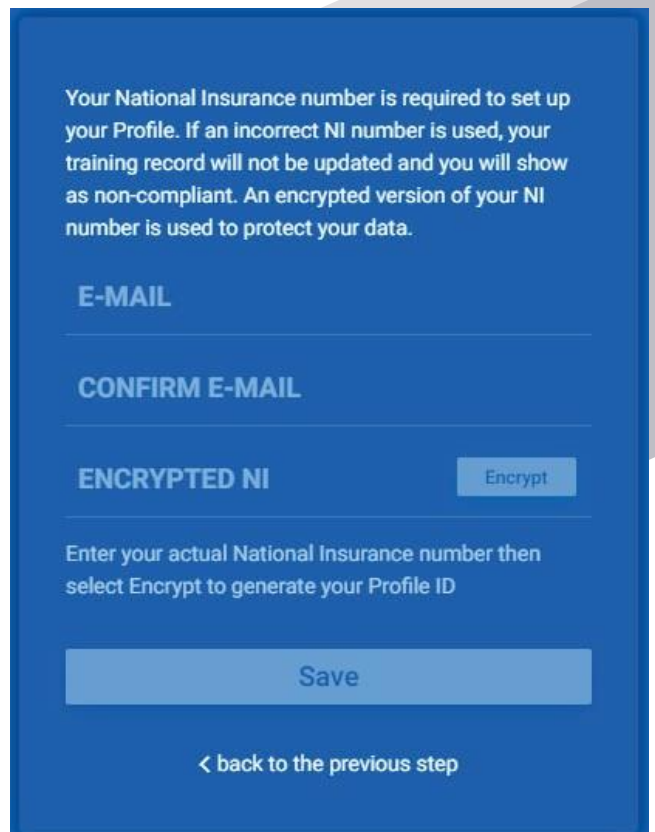

3 **Screen 3:** Click **NO** (unless you want to share your data with another Organisation (Employer, University, etc.)

4 **Screen 4: Enter your E-MAIL address and CONFIRM E-MAIL address** - Please ensure it is your QM email address e.g: f.smith@qmul.ac.uk

To identify you uniquely we use your National Insurance number in an encrypted format which ensures your data is secure.

In the **ENCRYPTED NI field** enter your actual NI number and click the Encrypt button (this will encrypt your NI number);

A **Profile ID Activation E-mail** is sent to the e-mail address you registered automatically, confirming all the details you submitted and your **15 digit PROFILE ID**.

Your Profile has been saved successfully. You will receive an Activation E-mail. If you do not receive your Activation E-mail, you need to contact your Trust Administrator to resolve this issue.

Note: You can find your Profile ID in your Activation E-mail.

You will receive an instant email confirming the details you submitted.

Click on the link "[Click here to complete your Profile ID registration.](#)" in the email to complete / activate your Profile ID registration, an internet page will open for you to click the "**Activate**" button.

That's it! The aforementioned process was a **one off** exercise, you have now created and activated your **PROFILE ID**.

Make a note of your unique 15 digit PROFILE ID from the email you received above - you will need to copy your **15 digit PROFILE ID** into your **CATQR mobile app**.

Profile ID Registration
