## MODULE REGISTRATION

### How do I register for my modules?

You will register for your modules using [MySIS](#). The Module Registration Task will become available to you after you have completed the Pre-Enrolment task. Please log in and select the 'Module Registration' option. Your core or compulsory modules may have already been pre-selected for you and they cannot be changed.

Before you start making module selections in MySIS please read the guidance below.

When you come to select the elective modules that you want to take you will be able to review the description of a module within MySIS by clicking on the module name.

It is not possible to submit or approve a partial module selection, so make sure you have selected modules from both Semesters.

**Please submit your selections in MySIS by 18th September 2024.**

Your submission will be considered after this date in the School's approval process and may not be confirmed until after the Induction Meeting, where you will also be allocated an academic adviser who can offer further advice on your choice of elective modules.

Some modules may become over or under subscribed, so you may be asked to change your selection at that time. You can request changes to approved modules within the first two weeks of Semester 1 using the same MySIS task.

To make this process easier, we will ask you to provide us with some reserve modules. When you submit your main selection of modules, MySIS will open a new screen for you to select your reserves. You will need to select the required number of reserve modules from each selection box to be able to complete the submission.

Please consider your reserve modules carefully and ensure they are modules you would be happy to take. We will make every effort to allocate you to your first-choice modules, but this may not always be possible.

Access to materials in QMplus (online learning environment) will be available within 24 hours of your module registration being approved.

### Guidance on making your selections

Please view the list of modules for your programme on the following page before making your selections in MySIS.

**Module descriptions** are available from the QMUL Module Directory at [www.qmul.ac.uk/modules](http://www.qmul.ac.uk/modules).

**Module timetables** are published from 14th August at [timetables.qmul.ac.uk](http://timetables.qmul.ac.uk).
