

## School of Languages, Linguistics and Film (SLLF)

A range of modules from Level 4, 5 or 6 across the School of Languages, Linguistics and Film and the Language Centre are open to Study Abroad and Visiting students.

### Module Information

Study Abroad and Visiting students will have access to the **SLLF Module Registration QMPlus page**. If you select the tab entitled 'Study Abroad and Visiting Students', you will find links to the [SLLF Undergraduate Module Directory and Availability List for 2024-25](#), which includes links to our Module Outlines/Syllabi where available, and information about module availability.

To facilitate your module selection, we are offering suits of modules that you can choose from. Please visit the following website for more information:

<https://www.qmul.ac.uk/sllf/study-abroad--visiting-students/before-you-arrive/module-suites---semester-1/>

The SLLF Module Registration QMPlus page can be found here: <https://bit.ly/modreg2425>.

### Pre-requisites

Please check the module's pre-requisites as you will need to meet them to take the module. If we are unable to see clearly from your academic transcript that you meet the pre-requisite or equivalent, we will reject your selection and you will be able to upload further information for us to consider. This could include a module description/syllabus or a statement from a professor/advisor or you, explaining how you meet the pre-requisite.

### Module Availability

Many of our modules are extremely popular and become full quickly. You can apply for modules which have 'limited' or 'good' availability on the [Module Directory and Availability list](#), which is also on our QMPlus page.

We will not be able to accommodate requests for modules with no places available. This list is manually updated so please be aware that modules may have become full before your request is actioned. The list is for Study Abroad, Visiting and Undergraduate students, and you can filter it to show available modules by selecting 'Y' in the Study Abroad column.

Spaces may become available on modules in September and the list will be updated daily during the first two weeks of teaching. You will receive further information on how to request a change of modules in September.

### Language Centre

The Language Centre also offers a range of Language Modules (LAN-coded), such as, French, German, Italian, Japanese, Mandarin Chinese, Modern Arabic and Spanish at different levels, which are available to all students. Further information can be found listed in the

SLLF Module Directory and Availability List or directly on the Language Centre Website (<http://bit.ly/QMLangCentre>).

### **Postgraduate/MA Modules (Level 7)**

Unfortunately, we are unable to offer our Postgraduate/MA (Level 7) Modules to Study Abroad and Visiting students.

### **Timetable**

Timetable information for 2024-25 is released to students from the beginning of September and can be found here: <https://timetables.qmul.ac.uk>.

We strongly encourage you to check your timetable carefully as there may be classes missing if you have a clash between two or more of your modules. It may be possible to request to switch to another seminar group, but if not, you will need to change to a non-clashing module. Please note allocated seminar groups will only be changed when a clash occurs, subject to space available in other groups.

Make sure you are checking your timetable regularly as changes can occur, particularly during the first few weeks of the semester.

### **Questions/Contact us**
