Some terminology

- **Market order:** immediately at the best price available
- **Limit order:** at a specified price
- Buy – or take a long position
- Sell – take a short position
- Bid and ask price:
 - Bid price – highest price offered for a stock/security on the market
 - Ask price – lowest price a seller is willing to accept
- Bid-Ask Spread
 - The cheapest order to sell is always higher than the highest order to buy.
