

## How to generate your personalised QR Code to collect student feedback

### 1. Click on the Link

- Begin by clicking the provided link on your phone.

<https://form.jotform.com/241272640558356> or

<https://tinyurl.com/2w98umy6>

### 2. Fill Out Your Details

- Complete the online form by entering your personal information.

### 3. Save Your QR Code

- Once you finish, a personalized QR code will be generated at the bottom of the form. Save this QR code as an image on your phone.

### 4. Share Your QR Code with Students

- Ask students to scan your QR code to provide you with personalized feedback.

### 5. Receive Feedback by Email

- 24 hours later, you'll receive the students' feedback directly in your email.

### Additional Information

- The QR code is your personal code and will work indefinitely.
- The school also receives a copy of the feedback, including student details for reference.
- You will automatically be entered for the bedside teaching award by using this feedback system.

SAVE YOUR PERSONAL QR CODE THAT IS GENERATED

Ask the students to scan your code to give you feedback...

doctor doctor received feedback 24 hours later

24 hours later their comments arrive by email...

This personal QR code will now work for you "for ever."  
Note: there is no such thing as "for ever" but we will do our best.

The school will get a copy too, including the student details (in case of problems).

You will be entered into the bedside teaching award.
