

- (1) #The computer is old, and the computer is new
- (2) [That]_{→L1} is new and [that]_{→L2} is old
- (3) [That computer]_{→L1} is old, and [that computer]_{→L2} is new
- (4) # [That computer]_{→L1} is old, and [that computer]_{→L1} is new
- (5) #That computer is old
- (6) A woman walked into the room. This/that woman was wearing a funny hat
- (7) #A woman walked into the room. [This/that woman]_{→L} was wearing a funny hat
- (8) [Context: in a competition where there can only be one winner]
[That winner]_{→L3} will receive a lot of money
- (9) # [That moon]_{→L6} has risen
- (10) I don't know if there are any other cars in this showroom, but [that car]_{→L3} looks expensive
- (11) [We live in a neighbourhood that forbids cars on its roads. One day we wake up to find a white car parked outside our apartment. A while later you tell me:]
[That car]_{→L4} is still parked outside
- (12) Let [that]_{→L} sink in
- (13) Let [that sink]_{→L} in
- (14) # Let [THAT sink]_{→L} in
- (15) Bill only introduced John to MARY
- (16) Bill only introduced JOHN to Mary
- (17) [Pointing to a distant group of students in L11:]
[That student]_{→L11} came to office hours earlier
- (18) [Pointing to a distant pile of books on a table:]
[That book]_{→L7} is fascinating

- (19) [Clearly pointing to a certain book on a table, on which there are two additional books]
[THAT book]_{→L8} is fascinating
