

Dear Colleague,

We hope the new academic year 2018-19 has started well for you and your students and you are enjoying your GP Placements.

- Following some detailed work from the Unit's QA team our two 2018-19 priorities for primary care education are to promote **feedback** (both to and from students) and encourage **active learning**. **We want to showcase** the rich primary care environment which benefits from our wide knowledge base, complex clinical, psychosocial and ethical decision-making, long-term relationships and the joys and challenges of generalism.
- Check out our website for tutor resources and top tips [www.gptutorbartsandthelondon.org](http://www.gptutorbartsandthelondon.org) and listen to the first in a new podcast series at <https://soundcloud.com/qmulofficial/sets/the-gp-educator> featuring Professor Anita Berlin.
- Please contact [Melanie Johnson](#) if you are interested in our new and innovative [Physician Associate \(PA\) education programme](#). Next placements start May 2019
- We hope you will be able to join us at some of our upcoming [CBME training events in 2018/19](#) – please save the following dates:
  - Wednesday 28th November 2018 (PM only) – **Physician Associate (PA) GP Tutor Induction Training**, [Whitechapel](#)
  - Wednesday 13<sup>th</sup> February 2019 (all day) - **Redbridge Undergraduate Student Tutor Training (RUSTT)**, [Redbridge](#)
  - Wednesday 27<sup>th</sup> March 2019 (all day) - **GP Tutor Training & Annual Business Meeting**, [Whitechapel](#)
  - Friday 5<sup>th</sup> July 2019 (all day) - **Annual GP Summer Education Day**, [Whitechapel](#)

Best Wishes  
The CBME Team
