

Year 5 Community Care 5A 2015/16

Assessment Form 2nd September 2015 – 8th October 2015

1 Assessment

● Professionalism, Attitude and Conduct

Lead GP Tutors should award each student an overall assessment after consultation with the appropriate teachers, including members of practice staff who have been in close contact with a student. Students should be assessed as individuals, and all students on a firm should only exceptionally receive the same grade.

Please fill out the form below and ensure that you press submit at the bottom of the form. This form will then be sent directly to Mary Martins, if you have any problems with this form, please contact m.martins@qmul.ac.uk or call 0207 882 2522.

A copy of this form will be e-mailed to the email provided in the form. Please ensure that you discuss this with the students print a copy of this form to give to the students to submit with their portfolios.

2 Professionalism, Attitude and Conduct

Professionalism Attitude and Conduct Assessment

Feedback should be given to every student about their professionalism during their placement and upon completion of this form.

INSTRUCTIONS: You need to decide if the student's professionalism is satisfactory or unsatisfactory?

- If you are unconcerned about a student's professionalism, an overall assessment of 'Satisfactory' may be given without marking 'Satisfactory' on every criterion.
- If you are concerned about a student's professionalism then three or more 'Cause for Concern' or Unsatisfactory in any category results in an overall assessment of 'Unsatisfactory'.
- Always decide and mark an overall Satisfactory or Unsatisfactory at the bottom of form.
- Overall Unsatisfactory students are to be referred to their Academic Year Tutor
- Please give full reasons for any 'Cause for Concern' or 'Unsatisfactory' assessments on the reverse of this form.
- The student should make any responses on the reverse of this form.
