

Academic Unit for Community Based Medical Education (CBME)

GP TUTOR INDUCTION TRAINING

18th September 2019

VENUE: [GARROD BUILDING \(Turner Street, Whitechapel E1 2AD\)](#)

12:30 REGISTRATION & LUNCH *Foyer (Ground Floor) & Rm 3.05 (Third Floor)*

On arrival, please register in the Foyer. Staff will then direct you to Rm 3.05 for lunch.

13:00 PLENARY 1. Will Spiring *Rm 3.06 (Third Floor)*

Aim: In the first plenary session, we will consider the practical steps needed in preparation for students arriving and getting started in a practice. The emphasis is on educational theory into practice.

13:55 WORKSHOPS *Various rooms*

Aim: In smaller groups there is the opportunity to consider the specific aspects of individual course requirements and share experience with other new tutors.

| YEAR 1: Medicine in Society | YEAR 2: Extending Patient Contact | YEAR 3: Integrated Clinical Studies | YEAR 4: Teaching Clinical Specialties | YEAR 5: Community Care |
|--|--|--|--|---|
| Maria Hayfron-Benjamin | Meera Sood | Jenny Blythe & Deepa Shah | Dev Gadhvi & Rohini Sabherwal | Will Spiring |
| Rm 3.04 | Rm 2.48 | Rm 2.36 | Rm 2.35 | Rm 3.03 |

15:00 COFFEE *Rm 3.05*

15:30 PLENARY 2. *Rm 3.06*

Aim: In this second plenary session we consider the need to 'follow through'. There will be an open session to ask the department panel questions.

16:30 CLOSE

Workshop overviews

All workshops relate to thinking about how you will structure student learning experiences for each specific year, tailored to the particular GP tutor concerns and challenges faced. Issues such as preparing the practice for receiving students, planning a timetable, delivering a session using varied educational approaches and the practicalities of assessment are topics that might be thought about as a group.
