

Dear Student,

Please refer to attached spreadsheet.

First, you will need to request your preferred session (shaded in green).

Please note that Sessions are offered on strictly first come first served basis. If the slot is not available, you will be notified and asked to select another date.

Email your requested session asap to practice.placements@clch.nhs.uk in order to reserve a place.

Please note that sessions are not guaranteed until it has been confirmed by this team. Students are then able to contact their chosen service to introduce themselves, confirm their attendance and discuss any preparations needed.

Please do contact this team if any aspect of the above process is unclear.

Kind Regards

Asha
