

Module Title: Advanced Translation (French into English and English into French) for Francophone Exchange Students

Module Code: FRE6204

Credit Value: 15

Level: 6

Pre-requisite modules:

Content Description

This module is intended for full-year Erasmus or Associate students from French-speaking countries. It offers advanced training in translation skills both from French into English (semester 1) and English into French (semester 2). A variety of challenging literary and journalistic texts will be used.
