

Module Title: Austria Today

Module Code: GER4061

Credit Value: 15

Level: 4

Pre-requisite modules:

Content Description

The main focus of the class will be to introduce students to current cultural, social, and political issues, using books, newspaper articles, journals, TV and radio broadcasts, and web sources from Austria. Selected readings and films will familiarize students with major figures and features of everyday life. The course will also convey knowledge about historical events and developments.
