

Module Title: Introductory German

Module Code: GER4201

Credit Value: 30

Level: 4

Pre-requisite modules:

Module Aims

By the end of the module, you should be able:

- to communicate in simple, everyday situations, requiring a direct exchange of information and requests for information
- to identify and explain some main grammatical structures of German
- to describe your background, immediate environment and matters of immediate need in simple terms
- to write and speak contemporary German on Level A1 (end of Semester A) and A2 (end of Semester B) of the Common European Framework of Reference for Languages (CEFR) addressing a wide range of topics and expressing your thoughts
- to write a series of simple phrases and sentences linked with simple connectors, displaying greater control of grammatical structures
- to become aware of the structural and lexical characteristics of the German language
