### How to get a graduate job

**Resources**

#### Where to look for grad jobs?

- Prospects.ac.uk
- Targetjobs
- Milkround.com
- Efinancial careers
- Insidecareers
- Queen Mary JobOnline
- The Supply Curve – jobs for statisticians [www.thesupplycurve.com](http://www.thesupplycurve.com)
- Guardian jobs
- Professional Bodies eg ACCA, ICAEW, Institute of Actuaries
- Careers Fairs

#### Improve your skills

- QRecruit – offers internships in the voluntary sector and paid internships in business [www.careers.qmul.ac.uk/qrecruit](http://www.careers.qmul.ac.uk/qrecruit)
- Get some work experience – A link to QM opportunities – including Q Recruit [www.careers.qmul.ac.uk/workexperience/index.html](http://www.careers.qmul.ac.uk/workexperience/index.html)

**Use the Careers and Enterprise Centre** - [www.careers.qmul.ac.uk](http://www.careers.qmul.ac.uk)

#### Help with applications and interviews

- Attend Events – Eg assessment centre workshops, networking, employer presentations [www.careers.qmul.ac.uk/events/index.html](http://www.careers.qmul.ac.uk/events/index.html)
- Business and Finance Careers Fair [www.careers.qmul.ac.uk/events/booking](http://www.careers.qmul.ac.uk/events/booking)
- Psychometric tests – the link here will take you to heaps of resources but check [http://bit.ly/GMUFqO](http://bit.ly/GMUFqO)
out the first one, Kenexa which we can offer you

Facebook I run a FB site for QM Mathematics careers
