At the top, there is a navigation menu with 'Module' selected, followed by 'Settings', 'Participants', 'Grades', 'Reports', and 'More'. Below the menu is a 'Module Content' section. A dropdown menu is open, showing 'School of Geography Module Directory' with a 'Collapse all' link. The main content area has a heading 'This version of the Module Directory shows modules running in 2024/25' and a welcome message: 'Welcome to the School of Geography's directory of Modules. Here you can find information about all of our modules, including the number of credits they are worth and the methods by which they are assessed.' Below this is a paragraph: 'Where available, we have posted a syllabus for each module. These documents provide a guide to the content of the module, but do remember that this content may change as module convenors refresh their modules each year. The assessment profile listed here is correct for 2024-25, and supersedes that in the module syllabus (if there are differences).
