What happens next?

Once you have submitted your preferred and reserve choices modules into MySIS, the STA Education Team will consider your requests before finalising your choices.

Submitting your choices does not mean that you have automatically been allocated a place on these modules. When your modules have been confirmed (your MySIS record will show your selection as 'CON'), and your timetable will populate within 24-48 hours (sometimes longer depending on the system) and then you will be allocated to any specific seminars/groups.

If we are unable to accommodate any of your choices (both preferred or reserve choices), the STA Education Team will select a module on your behalf to complete your module registration.

If you wish to make a change to your confirmed modules, you will be able to submit a Module Change Request. Information regarding how to do this can be found on Page 15 of the [Student MySIS Module Registration Guide](#).

Should you wish to discuss your module choices with your Academic Advisor, you will be able to arrange to do so during Welcome Week (you will receive further information regarding your Academic Advisor during Welcome Week).

If you have any problems submitting your module choices into MySIS, please contact the STA Education Team via [AskQM](#) > Programme & Module Support > School of the Arts.
