

Society for Neurodivergent
and Disabled Students

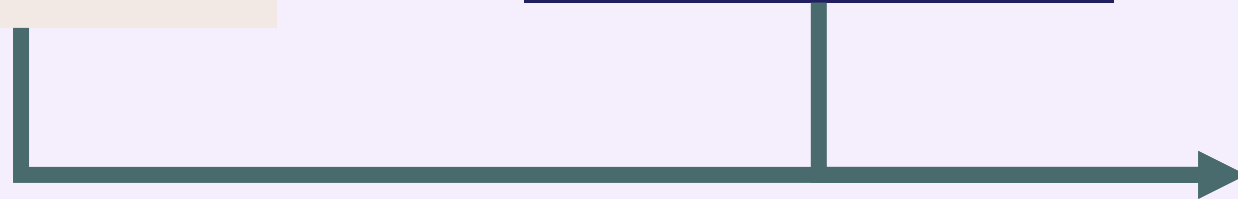

Society Introduction

DDS Autism Induction

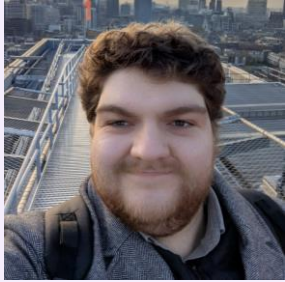

Daniel Gill

Our History

We formed as a merger of two existing societies:

Committee Members

Daniel Gill – President

PhD Computer Science

Previously president of SWD.

Rosie Nee – Treasurer

BSc Psychology

Previously treasurer of SWD and Neurodivergent Societies.

Ciara Lee – Newsletter Officer

BSc Neuroscience

Our Goals

As a society, we will:

- Create a community where students can meet others and share their stories.
- Continue raising awareness about disabilities and neurodivergence, and the impact they have on students.
- Make sure students feel seen, heard, and supported.

Our Events
