

## Update 14 December 2021 – Elisa Piccaro

- In financial year 2020/21 we have submitted **48** proposals for a total of **~£22M** (awarded £2.8M, pending £800K).  
So far in 2021/22 we have submitted **28** proposals for a total of **~£12.3M**.
- Awarded since last Research Committee:
  - Pau Figueras, Mahdi Godazgar, Enhanced Research Expenses 2021, £160K and £95K respectively.
- In the pipeline:
  - ERC Starting grant – Otter – Jan 2022.
  - Turing call 'Structured Missingness' - Bianconi – Jan 2022.
  - 3 1851 research fellowship proposals – Jan 2022.
  - ERC Advance Interview - Latora – Feb 2022.
  - STFC consolidator grant – March 2022.
  - 4 EPSRC small grant - Shamis, Beck, Valiente-Kroon, Glau.
  - EPSRC Open Fellowship – Morris.
  - Leverhulme Trust Research Project – Maltsev, Sasaki.
  - EPSRC Standard – Fink, Shao, Shestopaloff.
- **EPSRC Research Associate Funding** - £400k to appoint 8 PDRA for 6 months.
  - Round 1 - 3 appointments made. They have now started (Lewin Strauss in August, Diego Millan Berdasco and Vaibhav Kumar Jena both in October).
  - Round 2 - 5 offers have been made and accepted. Start dates range from mid-January to October 2022.
- **EPSRC Maths DTP award 2021** - £387k (and should receive the same again this year)
  - No formal announcement from EPSRC about this, so for the moment we don't have further funding available to start studentships in 2022.
